## 10. Other information

### 10.1. Other information about the subject

**The subject includes content related to sustainability and sport throughout the semester:**

*Doing sport is one of people's main resolutions every beginning of the year. However, do you know, for example, how much pollution a Marathon creates? And a major sporting event like the football world cup? Some sports activities can also damage the environment and you should know about this to keep their effects to a minimum.*

*Bet on sustainable sport!*
